

Together We Shine

EverHisGrace

♩ = 91 **Intro**

Hand in

Verse 1

Hand we stand so tall Like the Trees never fall One small

Chorus

voice can start a song But together we are strong Look at the

sky so wide and blue. There is a dream for me and you. Let's laugh out loud

and play all day. Sunshine follows where we stay.

Verse 2

We are

friends from everywhere. Love is something we can share. Sing it

Chorus

loud for all to hear. The world is bright when you are near. Look at the sky

so wide and blue. There is a dream for me and you. Let's laugh out loud

37 F G Em Am Dm G C

and play all day. Sunshine follows where we stay.

Bridge

42 Am Em F

Even when the rain begins to fall. We will help each other

45 C Am Em F

stand up tall. Step by step we're walking on our way. Making magic in every

Final Chorus

49 Dm G G F

single day. Look at the sky so wide and blue.

53 C G F C F

There is a dream for me and you. Let's laugh out loud and play all day.

Outro

57 Em Dm F G C F G

Sunshine follows where we stay. Together we shine Together we're fine.

62 C F G C

Together we fine. Together we

65 F G C C G

shine. Together we're fine. 3
